

OUR PURPOSE

9th Ward Alderman and Democratic Committeeman Anthony A. Beale commissioned the Senior Advisory Council (SAC) in 2000.

Our purpose is to **“identify and address specific needs of the senior residents of the 9th ward”** with respect to health and safety.

In general, advisory boards may perform the following tasks:

- ★ Serve as a liaison to the senior population to the Alderman/Committeeman and staff
- ★ Coordinate and host events that promote community engagement
- ★ Recognize the cultural diversity of the 9th Ward senior population and identify a continuum of services for seniors
- ★ Educate seniors about new and existing policies, issues and services
- ★ Participate in activities and events sponsored by the Alderman/Committeeman
- ★ Performing independent research on issues that would like to be addressed
- ★ Make recommendations to the Alderman/Committeeman’s office based on thoughtful and unbiased discussions from a senior perspective
